WHERE WILL MEMBERSHIP TAKE YOU?

STAND OUT AND BE RECOGNISED

Engineers are world-changers.
No other profession has quite the same impact on the environment, the skyline or the way people live their lives.

No matter how you're working right now, there's an opportunity to make an even bigger difference and expand your value when you step out and join Engineers Australia.

Meet Engineers Australia

EA is the trusted voice of the engineering profession, delivering training, support, accreditation and representation to engineers across the globe.

We stream high-quality resources and training 24/7, so you can read, watch or listen when it suits you. Stay up to date and accelerate your career with the help of EA.

STUDENT/ GRADUATE

Build a career without limits

You're still figuring out exactly how you'll make a difference as an engineer. You've chosen your specialty, and now you need to prove yourself to your managers, your clients and your peers.

EA will help you create the change you need to see by building a strong personal brand and a sustainable career with support, mentoring and training when you need it.

Join the team and be the best engineer you can be.

Student membership is totally free, and gives you:

- ✓ Access to our members-only graduate job board and Frontier community
- ✓ Post-nominals to set you apart from the crowd
- ✓ Training to make you a competitive student graduate
- ✓ Our library of technical journals and resources, to ensure you have the latest information

WHERE CAN MEMBERSHIP TAKE ME?

SENIOR LEADER

Make a difference and achieve global influence

You've made it to the top. Now as a valuable member of the profession, you want to give back and make a difference. Your technical skills are without question, and your management responsibilities are advancing as you step into leadership.

EA will help you expand your knowledge in a way that is globally recognised, has a practical impact on the world around us, and is relevant to the day-to-day of your job.

Drive the team towards excellence as you leave your legacy.

Membership offers:

- ✓ Influence the future of the profession through advocacy and board membership
- ✓ Give back to the next generation by volunteering, mentoring and sharing your expertise
- ✓ Be recognised for your achievements through Chartered, EngExec or our Awards program
- ✓ Contribute to conferences, journals and author opportunities.
